 208 Volt, A.C., three phase, 60 cycle,

GENERAL TERMS AND CONDITIONS

- Discount rate applies to one week prior to show setup.
- Any and all cancellations must be made 48 hours in advance of show setup.
- Exhibitors requiring 24-hour service or clean/dedicated lines will be charged an additional \$19.00 per line.
- Wall outlets and post outlets are not part of booth space. An outlet must be ordered for each booth to be connected.
- All material and equipment furnished remains the property of Owens Service Company.
- Prices include bringing circuits to the rear of exhibit booth.
- To compute wattage: Multiply AMPS X VOLTAGE.
- Not responsible for voltage fluctuation or power failure.

MECHANIC'S SERVICE:

Should it be necessary to run lines within the booth or hook up motors or panels, a labor order must be placed at the Service Desk when your equipment is ready for such work. This work will be done on a time plus material basis. LABOR per hour straight time. 8am - 6pm, \$45.00 1/2 hour minimum time.

ELECTRICAL CONNECTIONS:

Equipment must have power conforming plugs or caps. Each motor of 1-HP or over must be equipped with a fusible switch. To avoid delay in installation all equipment should be properly tagged and wired with full information as to the kind of current, voltage, phase, cycle, horsepower, etc., ready for connection. Under O.S.H we reserve the right to refuse connections to hazardous wiring and equipment.
